

# What We Hear:

- "I feel overwhelmed."
- "My team is not engaged."
- "I'm not getting the results I want from him/her."
- "We're stuck and it's difficult to see how to make progress."
- "I'm not sure what kind of leader I want to be. Or how to become that."
- "I need to know what the team is working on but I don't want to micro-manage them."
- "Our meetings are such a waste of time."
- "That person is incredibly hard to work with."
- "I just need a good sounding board."
- "I'm not sure I'm getting my point across the way I need to."
- "I've been told I need to present in a more succinct/engaging/polished way."

## How we help:

Through a proven system that has gotten results for thousands of leaders like you.

## Example models of how we work together include:

1. One-to-One work with key leaders (coaching)
2. Interactive workshops for small groups
3. **Most effective**—combination of interactive workshops for small groups coupled with coaching sessions for participants
